Since 2001 we have had the privilege of staying at Peregrine Lodge. Between the comfortable rooms, luxurious main lodge, friendly and attentive staff,

knowledgeable guides and superb food there is no wonder why we keep on coming back. The addition of the amazing fishing that we have always seen makes our annual trip to Peregrine Lodge the highlight of the year. We always recommend Peregrine Lodge to anyone looking for a fishing adventure as we know they will be in for a trip of a lifetime.
